NURSING CARE FOR DEMENTIA AND DELIRIUM
KINGSTHORPE GRANGE · NORTHAMPTON

DEMENTIA AND HIGH DEPENDENCY

Fifty one beds. Four households. *All the way home.*

Purpose built nursing care for older people living with dementia, delirium and complex mental health needs, in four self contained households, one of them male only high dependency.

51	Four	D2A	Good
SPECIALIST BEDS	HOUSEHOLDS	DISCHARGE TO ASSESS	CQC, SEPTEMBER 2025

Four steps. One settled home.

WHAT RESIDENTS SAY

"I feel safe and comfortable here, it's my home"

01 ADMIT

Four ways in

D2A OR RESPITE

Discharge to assess, a planned move, respite, or general through to enhanced nursing.

02 SETTLE

A room they design

THEIR OWN CHOICES

Residents design and personalise their own rooms, and family and friends can visit at any time.

03 LIVE

A day with shape

PET THERAPY AND OUTINGS

Community outings, dementia friendly activities, pet therapy, a multi faith room and a family room.

04 STAY

Nursing that stays put

FOR AS LONG AS NEEDED

Nursing for dementia, delirium and physical high dependency needs, for as long as they are needed.

OUR FOUR UNITS

Shelley MALE ONLY

High dependency nursing for men.

Byron, Milton and Chaucer MIXED

Dementia, complex mental health and physical high dependency needs.

Four self contained living areas, each with a living room, dining room, kitchenette and en suite bathroom. A light conservatory and a hairdressing salon. The Brampton Valley Way, fourteen traffic free miles to Market Harborough, begins under a mile north.

WHY COMMISSIONERS PLACE WITH US

01 **Households, not wards.** Four living areas, each with its own living room, dining room and kitchenette.

02 **Rated Good by the CQC.** Overall rating at the inspection of 9 September 2025.

03 **Delirium named separately.** A distinct pathway from dementia, which most homes do not separate.

04 **A Northampton bed, or the way home.** Local placements, and repatriation from out of area.
