WHAT RESIDENTS SAY

"Am new here but can say I feel safe in St Matthews"

"I feel like home in St Matthew, I like gardening groups and quizzes"

01 ADMIT

Step down or planned

FROM A HOSPITAL BED

Hospital step down, or a planned admission where another placement can no longer meet the need.

02 SETTLE

A room they design

THEIR OWN CHOICES

Residents design and personalise their own bedrooms, and family and friends are welcome at any time.

03 LIVE

Out into the city

BUS STOP OUTSIDE

A bus stop directly outside, with shops, cafes, a post office, pubs and the racecourse park within walking distance.

04 ONWARD

Recovery, or a home

LEAST RESTRICTIVE

A high functioning recovery pathway onward, or continuing care here for as long as it is needed.

WHO ST MATTHEWS UNIT IS FOR

Hospital step down · a high functioning recovery pathway · physical and mental health needs together · organic disorders with high dependency needs

Communal lounges, a courtyard and a day centre next door. Karaoke, live music, cooking sessions, arts and crafts, cultural celebrations and community outings, shaped by what residents ask for. A church, a Methodist chapel and the Central Mosque all within a quarter mile.

WHY COMMISSIONERS PLACE WITH US

01 **Nursing at every level.** Standard, enhanced and complex, so rising needs do not mean another move.

02 **Recovery and a settled home.** A pathway for those who move on, and care for those who stay.

03 **Many cultures, one home.** Residents and staff from many backgrounds, with three faiths served nearby.

04 **A city bed, or the way home.** Local placements, and repatriation from out of area.
