HEALTHCARE

INDEPENDENT SPECIALIST MENTAL HEALTH HOSPITAL
ST MATTHEWS HOSPITAL · NORTHAMPTON

REFERRALS OPEN

A small hospital. A serious recovery. *All the way home.*

Eighteen high dependency rehabilitation beds for men, in an extended Victorian house in central Northampton. Small enough to keep a real sense of home, close enough for education, work and community life.

18	Good	MDT	HOPE
BEDS FOR MEN	CQC OVERALL RATING	PSYCHOLOGY AND OT	RECOVERY TOOLKIT

Four phases. One recovery plan.

Every patient has a My Recovery Care Plan built on the HOPE toolkit and IROC, with twelve wellbeing indicators they score themselves, so progress is tracked with them rather than about them.

01 PHASE 1
Assess and engage
FORMULATION

Shared formulation, safety, baseline function and the goals that matter to the patient.

02 PHASE 2
Recovery and skills
THERAPIES AND SKILLS

Psychological therapies, occupational therapy, creative activities, independent living skills.

03 PHASE 3
Consolidation
COMMUNITY ACCESS

Relapse prevention and graded access to education, amenities and volunteering nearby.

04 PHASE 4
Step down
AFTERCARE IN PLACE

Discharge to lower support, with the community team and aftercare agreed first.

WHO THE HOSPITAL IS FOR

Severe and enduring mental illness with complex needs · challenging behaviour · comorbid mental health difficulties · detained under the Mental Health Act · dual diagnosis · comorbid physical health difficulties

Bright en suite bedrooms, a dedicated activities room and large communal dining and living areas. St Matthew's Church is next door, with its Henry Moore Madonna and Child. Kingsley Park Terrace shops are two minutes away, and Abington Park and the Racecourse within a mile.

WHY COMMISSIONERS PLACE WITH US

01 **Rated Good by the CQC.** Overall rating at the inspection of 19 December 2024.

02 **Small by design.** Eighteen beds, so staff know every patient.

03 **A city centre address.** Education, amenities and volunteering are on the doorstep when ready.

04 **One provider, every stage.** Continuity of care across every stage of mental health rehabilitation, without searching for a new placement as needs change.
