## WHO THE AVENUE IS FOR

**Dementia including early onset · Parkinson's disease · Huntington's disease · long standing mental and physical health needs · complex needs with behaviours that challenge**

En suite bedrooms with WiFi, spacious lounges, a secure private courtyard, and a Summer House where most activities are held. Bradlaugh Fields, a hundred and fifty acre wildlife park, borders Spinney Hill, and the Spinney Hill pub and Morrisons are a few minutes away.

## WHY COMMISSIONERS PLACE WITH US

01 **Huntington's disease accepted.** A diagnosis most nursing homes will not take.

02 **Rated Good by the CQC.** Overall rating at the inspection of 6 March 2026.

03 **Neurological and dementia together.** With behaviours that challenge, held by one nursing team.

04 **A quiet city bed, or the way home.** Local placements, and repatriation from out of area.
