WHAT A PLACEMENT HERE LOOKS LIKE

A room they can call home as they make it their own · person centred care that adapts as needs change · quiet rooms and sensory facilities · the seafront, the town and coastal walks nearby

Support that stays appropriate, effective and meaningful as needs change. A new menu every week from the head chef, with fresh local produce. Coast paths at Bulverhythe and Combe Haven, woodland at Marline Wood, and Alexandra Park, all within reach of a quiet seaside address.

WHY COMMISSIONERS PLACE WITH US

01 **Single sex units.** Male only and female only, for privacy, dignity, choice and wellbeing.

02 **Separate units, not one mix.** A mental health unit and a dementia unit. The needs are not the same.

03 **Your family becomes our family.** Every resident an individual, cared for with dignity and compassion.

04 **A placement that holds.** Complex behaviour taken and kept, so the search does not start again.
